CIRCULAR

This year, the Project Open Day -2026 is scheduled to be held on 08-05-2026 as decided at the college level.

Guidelines for Students

- Each department shall instruct students to prepare a **poster (flex banner)** that clearly highlights the key features of their project, and the presentation must be carried out **exclusively through the poster; PowerPoint presentations (PPTs) will not be permitted** due to time constraints.
- Students are required to prepare a flex-banner of size **3ft (wide) × 2ft (height)** highlighting the details of their respective project. The banner **should contain a standard top portion** displaying the College Logo, IQAC Logo, College Name, and Department Name. This should be followed by the title of the Project & the group details (along with the Guide name).
- Students are advised to use the sample template of the banner layout (FLEX BANNER). Students can improvise/innovate and come up with attractive layouts without violating the conditions mentioned above.

THE DETAILS OF THE PROJECT OPEN DAY ARE AS FOLLOWS:

- For an intake of 60, one Evaluator. For every additional intake of 60, the evaluators are to be identified and invited. The honorarium (Rs. 4000/-) for each Invited Evaluator is as approved in the budget of the respective departments.
- One **Best project** award for an intake of 60 students in each department.
- One **Best Innovative project award** for an intake of 60 students in each department.
- One **Best Project of Social Relevance** award for an intake of 60 students in each department.
- One **Best Project Presentation** award for an intake of 60 students in each department.
- Mementos and certificates will be ordered and distributed to the department by the committee.
- Certificates would be issued to all categories of awards and to all participating students.

The proceedings of the project open day 2026 should be documented by each participating department and be made available on the department's webpage for record purposes, branding, and visibility. The documentation, as per accreditation requirements, has to be complied and shared suitably.

Project Open Day 2026 will be **co-ordinated by Dr. Annapurna P Patil**, Dean-Academics, Professor and Head, ISE, DSCE.
